ADMISSIONS PROCESS

There are a limited number of students accepted into the program. Applicants are accepted on a first-come-first-served basis.

Steps to enroll:

1. Complete an application and submit with an \$80.00 non-refundable application fee.
2. After step 1 is completed and received by the "Head of the School," she will contact the interested parent. At that time, the parent will know if we have a waiting list or not.
3. When the child is accepted into our program, the family will receive their contract. At this time, the parent also submits a two-month tuition deposit which is also non-refundable. This deposit is applied to the last two months of attendance.
